Inside, the home has been thoughtfully laid out for easy everyday living, with a generous open plan kitchen, dining and family zone forming the heart of the home. The kitchen is well equipped with a dishwasher and stainless steel appliances, while ducted air conditioning throughout the home adds year-round comfort.

The king-sized master suite provides a peaceful retreat, complemented by an ensuite and walk-in robe, while the remaining bedrooms are well-suited to family or guests. A second living area gives everyone room to spread out, whether you need a media room, kids' retreat, or quiet lounge space.

Step outside and you'll find a north-facing covered patio overlooking a large backyard with plenty of room for children and pets to play. With a 7.4kW solar system already in place, this is a home that blends lifestyle, functionality and smart living in one very appealing package.

If you've been searching for a spacious family home with room for all the extras, this one is well worth your inspection.
