Ethan Forbes from LJ Hooker proudly presents 9 Wood Crescent, Baringa.

If you've been searching for a home that's easy to maintain, comfortable to live in, and ready for immediate occupancy, then 9 Wood Crescent deserves your attention.

Positioned within one of Baringa's most popular pockets, this beautifully presented single-level terrace home delivers a practical floor plan, quality finishes, and effortless living, all wrapped up in a package that will appeal to everyone from first-home buyers through to down-sizers seeking a simpler lifestyle.

Without a single stair in sight, the home's thoughtfully designed layout offers excellent accessibility and everyday functionality. It's the kind of property you can move into today and comfortably enjoy for many years to come.

The central living and dining space is bright, welcoming, and perfectly connected to the outdoors, creating a relaxed atmosphere that's equally suited to quiet nights in or hosting family and friends.

A standout feature of the home is the thoughtfully designed kitchen, featuring 20mm stone bench tops, a 900mm induction cooktop, ample preparation space, and an oversized walk-in pantry; a combination of features rarely found in homes of this style.

Privately positioned at the rear of the home, the master suite provides a peaceful retreat featuring a spacious walk-in wardrobe, generous ensuite, ceiling fan, and split-system air conditioning. The remaining bedrooms are well-proportioned and fitted with ceiling fans, while a second split-system unit services the main living zone.

Step outside and you'll discover multiple outdoor spaces designed to be enjoyed rather than maintained. A tiled side courtyard offers the perfect setting for your morning coffee or afternoon unwind, while the covered rear alfresco creates a fantastic extension of the living area. Surrounding the home, manicured gardens and a neat front lawn provide street appeal without demanding your weekends.

Combining low-maintenance living with the comfort of a genuine home, this is an outstanding opportunity to secure a property that caters to your lifestyle now and well into the future.
