At the heart of the home is a light-filled open-plan living and dining area complete with split system air conditioning, flowing into the spacious kitchen featuring gas cooking, breakfast bar, ample cabinetry and a marble-look tiled splashback.

Sliding doors open to an impressive alfresco entertaining area with an A-frame pergola, ceiling fan and plenty of room to host family and friends. The beautifully landscaped backyard provides space for children to play, while the added potential for a veggie garden makes the outdoors both functional and enjoyable.

Accommodation comprises three bedrooms, two with built-in wardrobes and ceiling fans, while the bathroom includes a bathtub and is complemented by a separate toilet. A well-appointed laundry with excellent storage and external access adds further convenience, with additional linen storage throughout the hallway.

Further highlights include gas points, air conditioning, abundant storage, internal access from the garage and direct access from the garage to the backyard.

Positioned within easy walking distance to parks, cafes, childcare and convenience stores, with Dapto Mall and the M1 motorway just a short drive away, this is a fantastic opportunity to secure a comfortable family home in a convenient location.
