

90/309 Harborne St, Glendalough, WA 6016

Leased - \$500

Unit 2  1 

Just what you've been looking for!

Overlooking the luscious, green complex gardens you get a great sense of warmth and ambience! This well presented two storey unit includes two bedrooms, master with aircon and ceiling fan. Renovated bathroom with laundry and updated kitchen. White Goods Included!!

Upon entering the kitchen you are greeted with a fresh clean modern look. It includes a double door pantry, stainless steel oven and cook top as well as the inclusion of a fridge for your convenience. The entire lower level boasts modern look timber flooring which only adds to the ease of cleaning! Split system air conditioner is included in the dining area which in both the winter and summer months will be a huge bonus! The lounge room offers a fresh feel with a sliding patio door that provides a lot of natural light, a must in any apartment! If that's not enough the balcony is a space of peace and tranquility.

The master bedroom has a large double robe with space in the room for an additional wardrobe or chest of draws. With both a ceiling fan and aircon in the master room, this town house is an exception to the rule. The second bedroom is sizable and can be adapted to suit your needs. There is enough space for a desk and sleeper couch for those out of town guests.

The bathroom and laundry are combined for space saving and convenience! Ample storage and to add to the bonuses of this property, the laundry also includes a washing machine. If you are a young family and concerned about where you can bath your child do not fret, this property has a small shower tub suitable to bath a toddler.

The single car bay also includes coverage!

Walking distance to Glendalough train station ensures a quick and stress free commute for those who work in and around the CBD, with just 2 station stops to the City. This location is close to Subiaco, Leederville, Mount Hawthorn, just a few minutes' drive to the Beach and only 100m to the local shops!
