Set on a generous 657m² block in a quiet, established street, 90 Blundell Boulevard is an appealing choice for young families seeking space to grow or retirees wanting easy single-level living without sacrificing a backyard.

Inside, light-filled interiors create a warm and welcoming atmosphere. Three generous bedrooms feature ceiling fans, while air conditioning in the living area provides year-round comfort. A neat central bathroom completes a home that is ready to enjoy, with scope to modernise at your own pace.

Backing directly onto reserve, the backyard enjoys a private, leafy outlook with no rear neighbours. There is plenty of space for children to play, keen gardeners to create their own retreat, or to explore adding a pool, outdoor entertaining area or extension, subject to council approval.

The drive-through garage provides practical access to the backyard for a boat, trailer or additional vehicles—a valuable feature for families and retirees alike.

Everyday convenience is a standout, with local schools just a short walk away and shopping, dining and essentials close by at Tweed City Shopping Centre.
