Family Home

Sajad Ahmadyar and Amir Ahmadyar are excited to present this family home to the market.

Ideal for first-time homebuyers & investors, this property offers both comfort and style with excellent potential.

As you step through the front door, you're immediately greeted by a spacious and inviting living area. This is the perfect spot to unwind after a long day or entertain friends and family.

Just off the living area, you'll find the master bedroom, a true retreat with its own ensuite bathroom and a generously sized walk-in robe.

The heart of this home is undoubtedly the kitchen, which is designed to overlook both the dining and living areas. This layout ensures that the chef is never far from the action, making it ideal for keeping an eye on the kids or engaging with guests while preparing meals.

Venture outside to discover a backyard that's both functional and enjoyable. A handy work shed provides ample storage or a space for DIY projects, while the adjacent patio area is perfect for outdoor dining, barbecues, or simply soaking up the sun.
