The open-plan living and dining area is equally spacious and inviting, complete with a high angled ceiling and a powerful reverse-cycle air conditioner to keep the whole home comfortable year-round.

The modern kitchen is both functional and attractive, with huge main benchtop, a deluxe stove, large fridge space, kitchen window, and ample storage-making cooking a true pleasure.

The bathroom is neat and easy to maintain, with a large walk-in shower, grab rails, stylish black vanity, black accent tapware, and a toilet. A combined internal laundry with wash tub plus extra shelving adds to the home's convenience.

Downstairs, you'll find a secure garage with additional sitting space-ideal for entertaining or relaxing-as well as a handy garden shed for all the tools or extra storage, and the outdoor gardens are just beautiful and designed for low-maintenance living, allowing you to enjoy their charm without the upkeep.
