Each block is thoughtfully equipped for immediate use. One parcel is farm-ready, boasting 3 x 40-tonne Kotzur silos (Optional), a spacious machinery shed, and a water tank. Both properties have access to nearby power connections from an existing pole, ensuring convenience. A seasonal creek runs along the eastern boundary of one block, together with 4 dams, adding a touch of natural beauty.

The land is reasonably flat yet benefits from excellent drainage through established dams. Access is a breeze with bitumen road entry to both blocks.

Located in the thriving Walla Walla community, these blocks offer exceptional potential for future growth. This unique opportunity provides the chance to live and work on the land, with the ideal size for a viable farming operation. Properties of this nature are rarely available, making it a must-see for those seeking a lifestyle change or expanding their agricultural ventures.

Don't miss this chance to secure your slice of rural paradise - call now to arrange an inspection!
