Villa 2 1 1

BUY OFF THE PLAN

This brand new two bedroom villa should be completed by the middle of 2018. Both bedrooms have built-in robes and there is a central bathroom. There is internal access from the single lock up garage, and will include blinds, dishwasher, fixed floor coverings, insect screens, light fittings, rangehood, stove, TV antenna and landscaping. Don't forget if you are a first home owner government incentives apply or a great investment opportunity. People are starting to buy off the plan, so don't delay and call for further information
