

Kintyre He Blackbutt Rd, Dubbo, NSW 2830

Stage 1 - Now Selling

Residential Land

Come Home To Nature at Kintyre Heights!

Welcome to Kintyre Heights, Dubbo's premier elevated, eco-focused land release, designed for those seeking space, privacy, and an exceptional bushland lifestyle.

Set amongst rolling landscapes and natural surrounds, Kintyre Heights presents expansive blocks ranging from 2,000 to 7,000m², providing a beautiful canvas for you and your chosen builder to bring your ideal home and lifestyle to life.

From its elevated position, the estate captures beautiful outlooks across the surrounding landscape and towards the Dubbo cityscape. By day, enjoy sweeping rural panoramas; by night, watch the skyline come alive with a breathtaking canopy of twinkling stars.

Surrounded by established nature reserves, Kintyre Heights offers a unique connection to the environment, with native birdlife—including the iconic black cockatoos—regularly seen throughout the area. Meandering natural features, including a seasonal dry creek, invite exploration and a deeper connection to the landscape.

Thoughtfully designed for modern living, each parcel is fully serviced and connected, with sealed roads, power, town water, sewer, and NBN available—ensuring convenience without compromising the natural beauty of the setting.

Adding to its distinct charm, the estate sits within close proximity to Taronga Western Plains Zoo—where, on occasion, you may even hear the distant call of wildlife, a subtle reminder of the natural beauty that defines this location.

Perfectly positioned just minutes from the CBD, Kintyre Heights delivers the rare balance of seclusion and convenience—a peaceful retreat without compromising access to schools, services, and city amenities.

Secure your place in this exclusive release of Stage 1 and start planning the lifestyle you have always imagined.

- Land parcels ranging from 2,000–7,000m²
- Elevated country living with stunning outlooks and city views
- Surrounded by nature reserves with abundant native birdlife
