Setting a new standard for terrace homes, The Keystone Entertainer by Thompson Sustainable Homes is an ex-display residence that blends architectural design, high-end finishes and effortless functionality. Located in the sought-after Aura community, this award-winning home offers a rare combination of style, space and lifestyle appeal. Designed with a focus on maximising its 6.6m frontage, the home delivers an impressive sense of scale with multiple living zones and a seamless indoor-outdoor flow. The lower level showcases striking polished concrete floors and soaring 3-metre ceilings, creating a modern yet inviting atmosphere.

The open-plan living and dining area connects effortlessly to a private alfresco, perfect for entertaining year-round. True to its name, the home is packed with standout features including a private gym, sauna, resort-style pool with swim-up bar, and bespoke wine display with built-in fridge, bringing a luxury retreat feel to everyday living.

Upstairs, the master suite offers a peaceful escape with a walk-in robe, designer ensuite and private balcony. Additional living spaces and flexible layouts provide options for families, guests or working from home, with potential for dual living or a fourth bedroom.

As an ex-display home, every detail has been carefully curated with premium upgrades and quality craftsmanship throughout.
