House 4  1 

Quiet cul-de-sac location.

This 4 bedroom brick and tile home is located in a quiet cul-de-sac surrounded by quality homes. It features a welcoming front verandah, two spacious living areas, open plan kitchen and dining area, the kitchen has lots of cupboard space including pantry. Three of the generous size bedrooms are located on the lower level and the master bedroom is upstairs and includes a parent's retreat and private balcony. The bathroom has a separate bath shower & vanity. A double lock-up garage attached to the house gives access to the back.
