Relaxed Rural Living Right In Town

It is often said that you can't have the best of both worlds but this one must be close as it offers the privacy of rural living and yet is located on the fringe of the Ballina township offering the convenience of being close to shops, clubs and schools. Set on a 4047m2 block (just over 1 acre) it is opposite North Creek offering water views from the property. The home is well positioned to accommodate a large family seeking space with a big lounge room with bar, 3 spacious bedrooms, master bedroom with en-suite and a parents retreat plus a rumpus room. Our interstate vendors are reluctant to sell their rural retreat however work commitments mean that it must be sold.
