Townhouse 2  1  1 

### Right Opposite The Beach

As far as location goes it doesn't get much better than this especially in the price range this one will be in. The property is in great order with spacious living areas and bedrooms and there is a second toilet downstairs. The townhouse is light and airy with a balcony off the main bedroom that captures the cooling sea breezes. There is a good size courtyard at the rear of the property that would be ideal for weekend barbeques after you have had a relaxing morning swim in the crystal blue waters of Angels Beach.
