YOU'LL NEVER LOSE THE MEMORIES OF HOME

From the moment you walk through the door of this magical 3 bedroom home you realise what family life is all about - comfort, cosiness, relaxation, sunny areas, nearby parklands and great neighbours. The home has huge potential to renovate now or when you need to. The back yard is a blank canvas, so you can do almost anything you like.... You even have rear yard access via the drive through garage. This home has that many memories.... the'd really love to have that continue to you!!! Hurry and ring me, before some one else does.
