House 4  3 

GREAT FAMILY LIFESTYLE HOME, BRING NAN OR POP TOO !

This wonderful home offers so much to enjoy for all the family! Ideally Situated within a quality Estate, in a quiet and peaceful sought after suburb only minutes to Maitland and its conveniences. This is a beautiful brick home offering 3 bedrooms, plus a large fully self contained granny flat or teenage retreat with separate access available. A true family home, there is space for everyone and you wont have to fight for the bathroom, in this fantastic home there are three! With a superb new kitchen, your master chef skills will be inspired , and you will enjoy cooking meals with ease ! The home has recently been refurbished with new carpet and paint and offers a fresh modern feel throughout. All the modern comforts and conveniences are here, including ducted Air Conditioning, ducted vacuuming and Security Alarm System to make your life easier every day. In the good old fashioned Aussie backyard tradition, this fantastic family home offers a spacious 5128sqm block to grow veggies, keep chooks ,and the kids can safely play, creating their own adventures. A dog proof fence offers security and peace of mind for your canine family members, so absolutely everyone will be at home here ! When the weather warms up, splish splash in your very refreshing pool, or relax on the rear deck overlooking the yard. An established garden featuring easy care natives, shade trees and beautiful flowering camellias provides a green haven to enjoy after a busy day or week. A rare homely retreat offering comfort, space and modern convenience ideally located in one of Maitlands most sought after suburbs, where you can enjoy the best of both worlds. If you are seeking a great family lifestyle, "tree change "or somewhere you can care for older or teenage family members at home then this very endearing family home will be ideal . These special opportunities rarely come along, so don't delay, call now for your personalised inspection!
