House 3  2  1 

Budget Priced Riverside Living

They say location is all important and with million dollar homes directly opposite this property has to be an outstanding buy at this price.

The home has been completely renovated with an attractive rendered finish and inclusions such as granite kitchen benchtops, contemporary bathrooms with quality finishes and air conditioned living areas.

If you have a caravan or boat then this property is ideal as there are two street frontages so off street storage is not a problem.
