House 3  2 

Two Street Frontages

A great home in a great location. This three bedroom weathertex home has so much to offer and is in one of the more sought after streets in Culburra Beach. The home has nine foot ceilings, lounge, dining, rumpus room and study as well as the three larger than average bedrooms. Parts of the house have polished timber floors with the rest having the potential for the same. One of the great features of the property is the dual street frontage. The home fronts on to Silvermere Street while the double garage at the rear has frontage to Jopejija Street meaning you get full use of the 720m2 block (approx). This is a great property in a great location so don't miss out. For full details contact Brian Muller at Culburra First National on 4447 3600
