House 3  1 

“RENOVATE OR DETONATE”

Here's one for the Bargain Hunters!!! The termites have had their go and now it's your chance – it's your choice whether you renovate or detonate it! The three bedroom fibro home has had substantial termite activity but they've now been treated and it's time to start rebuilding. This is a great opportunity for someone wanting to end up with a very cheap house. You'll definitely need to bring the toolbox here so be prepared to put in a bit of work and reap the rewards. It sits on a 695m2 block as well. 24 Park Row, Culburra Beach will be auctioned on site on Saturday, 25th June at 12 noon unless sold prior.
