This vacant block enjoys one of Callala's finest positions. Take a one hundred metre stroll from these lovely level home sites and find yourself on the pristine sandy white shores that Jervis Bay is famous for. The blocks are situated at the Northern end of Callala Bay and in fact of all development on Jervis Bay, so you can discover miles of uninhabited beaches stretching before you. Along with the shimmering waters of the Bay itself, which are ideal for swimming, canoeing or water skiing, there is tidal inlet, which is fabulous for kids to splash around in. Whether you are looking for one block or the option of buying both, this is a great opportunity to build the beach house of your dreams, in a quiet Crescent, exceptionally close to the beach.
