House 3 2

Total Liveability

A spacious living area with high cathedral ceilings, plus the inviting large dining area and modern kitchen of this generous house make entertaining a breeze. The kitchen has all mod cons plus a walk-in pantry. This property, with back to base alarm, is located in a quiet hamlet, opposite bush reserve and enjoys tranquil bush vistas. Huge main bedroom upstairs with w.i.r. and en-suite (could easily become 2 rooms) downstairs are two more bedrooms, bathroom, laundry & dble carport. Slow combustion and natural gas central heating complete the picture.
