Ballina Restaurant With Wonderful Views

This well established restaurant is situated in one of Ballina's most iconic locations with postcard views over Shaws Bay and beyond to North Wall.

The retro inspired décor has lounges for cocktails or after work drinks, an outside deck for star gazing and every table in the restaurant enjoys the water views on offer.

The restaurant has always been a favourite with locals with a Spanish influenced menu which you can continue or perhaps you have your own ideas and wish to create a different theme.

The venue is popular for weddings and functions being licensed to cater for 110 guests and it has a fully licensed bar.

The restaurant is ideal for a couple as it is open from Wednesday to Sunday lunchtime giving you plenty of time to enjoy the great lifestyle Ballina offers.

The owners are moving onto a new venture and are very keen to secure a sale.
