House 3  1  1 

SOLD BY CATERINA COOPER OF VALLA REAL ESTATE

Wanting an escape from the daily grind and the pressures of day to day living? This modern mudbrick/Colorbond contemporary home set on 5.5 acres will provide the perfect setting. The kids can enjoy spreading their wings on over 5 acres - Mum and Dad can relax on the covered patio and just soak in the splendid mountain views. Polished timber floors coupled with raked ceilings create a generous sized living and dining area that would suit a range of living arrangements and décor. The living area opens onto a covered outdoor entertaining area perfect for barbeques and evening dinners with friends. The kitchen is ultra modern with granite bench tops, an extremely generous walk-in pantry and stainless steel appliances including gas cooking. Stylish black and white bathroom is fresh and modern adding to the homes appeal. Add to this three generous sized bedrooms with built-ins and walk-in-robe, a slow combustion fire, garage/shedding and your picture is complete. Ample scope exists for further creative enhancement. The charm of country living and only 8 kms to the beautiful Valla Beach.
