House 3  2 

MAGNIFICENT MOUNTAIN MAISON

Superlatives are quite inadequate to properly describe the quality and magnificence of this gracious residence. Structured on three levels and constructed with the finest materials, there are features galore to satisfy the most discerning of purchasers. The master bedroom has an en-suite (of course!) featuring a double spa bath and the bedroom also has its own elevated private balcony overlooking the bush. The main bathroom is stunning and the living areas have added character by the weathered exposed beams. There is a main entertaining deck, a modern kitchen and too many other features to mention. The property is located in a quiet, leafy street yet is close to Leura township. (Land size approx. 904m²)
