House 4  2  1 

## It's Just Not The Run Of The Mill!

Architecturally designed the home offers a wonderful ambience of space as soon as you walk through the front door. The high ceilings and 2 large open plan living areas take away any potential claustrophobic feel. The bedrooms are designed so you can relax and have a break from the kids yet still be in reach when you need to be. All 4 bedrooms have built in wardrobes with the main having a walk in wardrobe, ensuite and access via to the backyard. The home is also packed with some little extras like the 4 split level air conditioners, ceiling fans, built in gas heater, dishwasher and a his and a her shower in the main bathroom. As you walk out the back you will see the large elevated balcony and the great size fully fenced block which is ideal for the kids to play in (728sqm). It's located only 10 minutes drive from Wollongong and just around the corner from both public and private schools. Easy access just down the road to hop off a bus or take a short drive to local shops. An ideal family home or great investment with great tenants currently paying \$500 per week.
