House 2 1 1

A LITTLE RIPPER!

Now, this is a property for the person who likes a challenge and has a great tool box! There is a living room plus an enclosed L shaped veranda; there is also a bathroom and inside loo but the kitchen - well I think there is one but I can't be sure! For someone looking for a bargain and is up to the challenge, this one is for you. Within walking distance to Katoomba Town, the block is approx. 811m2 and has a great view over National Park lands.
