YOUR ROAD INTO LEURA

Compact, full of light and situated in a charming, quiet leafy street surrounded by a stunning bush backdrop, this Leura property is the perfect opportunity for a first home buyer to leap upon before the deadline arrives. Investors should also pounce on this one. The rental shortage is now critical and you cannot go wrong, so look no further. Comprising three bedrooms, a fully fenced flat back garden and a garage with workshop, it has all the necessary attributes. A slow combustion fire and reverse cycle air conditioning unit are some of the extras. This home has been much loved by its owners whose children were raised here. Perhaps the tradition will continue. (Land size approx. 917m2)
