Villa 3 2 2

SOMETHING SPECIAL

Enjoying the low maintenance of a villa but with the spacious feel of a quality single level house, this unique property includes features not usually found in the average villa, such as cathedral ceilings to the open plan living areas, multiple sets of French doors leading out to the sunny north facing yard as well as a separate spa room off the main bedroom. The main bedroom also includes a walk in robe and ensuite whilst bedrooms 2 and 3 also have built-ins and another ensuite between them. The centrally located timber kitchen really is the heart of the home and boasts a new stainless steel oven. A double garage with internal access completes the picture!
