A HIDDEN TREASURE

So private that you may need a map to find it, this sweet older-style weatherboard cottage is only a stroll to Katoomba Township but feels like a million miles from anywhere. There are high ceilings, floorboards under the carpet, two living areas and enough charm and character to steal your heart. Sweet, cosy cottages such as this don't come along very often. Viewing is by appointment. (Land size approx. 317m2)
