A Rough Diamond or a Rare Gem?

This is a great opportunity to acquire a character cottage circa 1900 in this wonderful South Leura location. Situated in a sought after street within walking distance to the village, this two bedroom home plus sunroom, sits on a beautiful level block of approximately 749 sqm. Yes there is work needed but the satisfaction gained from doing so will be well worth the effort. Rough diamond or rare gem, either way there are not too many left in such convenient proximity to the village.
