Your Private Oasis

Wow! Where do we start??

Behind the manicured lawns and the leafy front gardens is a cavity brick & tile home, set on half an acre of land with everything you could desire in a home.

This beautifully presented home has four bedrooms, formal lounge and dining, meals area, family and rumpus rooms, ensuite, timber kitchen, large main bathroom with a private fully enclosed patio.

High quality fixtures & fittings are a highlight & include slate flooring, full brick internal walls, ducted air conditioning, ceiling fans and plantation shutters throughout. Externally there is a magnificent salt water pool area with separate spa, recreational space, fully encased for privacy and safety by vertical timber fencing. To the right side of the property is the first of multiple carports which currently houses the family caravan with easy access to the street. A garden path leads from the patio area alongside the pool to an enormous covered entertaining area with a wonderful water feature with babbling water trickling through the rock garden with feature lighting and waterfall. Beyond is a four bay garage with shower toilet and workshop, garaging for up to 5 cars. Alongside is another carport with rear roller door, fully lined, approx 5m x 15m ideal for boat, trailer, van or four cars.

Proceeding to the rear of the garaging & entertaining area are the tranquil surrounds of lush lawns & gardens, rockeries, fruit trees, hidden garden sheds, water tank, bird aviary or greenhouse, watering systems are installed throughout the property just turn on the tap.

Just like inside no expense has been spared, sound systems in garage & entertaining, solar electricity, lighting, security the list goes on.

Located in a quiet street just a short drive to shops, schools, link road & services.
