WALK TO TOWN FROM THIS DOUBLE BRICK HOME

What a great opportunity to secure a solid double brick home in a walk to town location just North of the CBD. Located amongst good neighbours, this generous home has a sun soaked northern aspect to the spacious living area with brand new carpet, high ceilings help create a sense of space to each of the three bedrooms, the walk in storage room could easily be used as a small office, the kitchen has been updated and includes a brand new dishwasher, there is a second bathroom and a third toilet. Enjoy some quiet time outside within an easy to maintain garden with room for the veggie garden, plus a single lock up garage. A potential filled home to call your own or continue its recent history as a money spinning investment property.
