Commercial Land

Great Diesel Truck Stop Location

This block of land is located north of Dalby and has not only acres and acres of land but also excellent frontage to the Warrego Highway. It is on a corner block so should also have ease of access to the site.

There is no fuel stop between Dalby and Chinchilla and with the highway busy with truckies and traveller this is an ideal location for a service station with diesel facilities.

We are seeking an expression of interest for an anchor tenant to lease this potential roadhouse.
