This chic three-bedroom penthouse apartment is made up of two neighbouring apartments; together they form a large, spacious three-bedroom residence. The interior spaces have been professionally designed and present an understated, sophisticated and comfortable ambience. The combined living and dining rooms open to the fully equipped kitchen, well stocked with appliances and featuring a centre island and breakfast bar.

The apartment's three bedrooms can easily sleep up to six guests, with children more than welcome at the family resort. The bedrooms are comfortable and cool. The master bedroom features Ensuite bathroom and doors that open to the patio, whilst the studio bedroom boasts a jetted spa bath and views over the pool.

The penthouse terrace is ideal for alfresco dining, or sipping evening cocktails in the palm-filtered breeze. Share a barbecue at the setting for six and enjoy the balmy temperatures from sunrise through dinner. Soak in the private rooftop spa or unwind on one of the sun lounges – it's the perfect spot to relax.

The grounds include a large, pristine swimming pool, lush gardens dotted with palm trees, fitness centre, jacuzzi, popular restaurants and bars, and is just a moment's walk to the beach. Whether you choose the nearby golf, fishing and water activities; or you simply prefer to laze by the pool; there is certainly no shortage of options for your tropical holiday escape.

Whilst our apartment is fully self-catering, we're pleased to provide our guests with a starter pack of life's basic essentials! This includes shampoo, conditioner, body wash, body lotion, soap, dishwasher tablets, laundry liquid, tea and coffee, beach towels, bathroom towels, all linen and blankets, 2 rolls of toilets paper per bathroom and more.
