

Port Douglas, QLD 4877, address available on request

Holiday Property - From \$495 Per Night

Unit 3  3 

4 Thorntons West

This executive style villa offers all the comforts of home with an air of opulence that is sure to make your next holiday all the more enjoyable.

Located within the highly regarded Thornton West gated complex, this chic villa has everything you need for a comfortable stay in the tropics.

The double doors of the formal entry portico open to reveal a hidden oasis; a thoughtfully planned combination of landscaped courtyard, garden and lawn spaces – complete with private pool – in which you can relax with family or friends.

Inside, the ground floor is the domain of comfortable, contemporary, open plan tropical living that is emphasised by high ceilings, crisp white decor, ducted air conditioning, ceiling fans and banks of large picture windows, doors and louvres that frame the outlook across the pool to the golf course and rainforest-clad ranges in the distance.

The focal point of this space is the large, fully optioned kitchen that provides all the creature comforts including stone benchtops, gas cooktop, full sized oven, dishwasher, large stainless-steel fridge/freezer and excellent storage.
