This remarkable property is far more than a home. It is an exclusive estate with the scale, versatility, and infrastructure to support not just a refined lifestyle, but also a broad spectrum of commercial pursuits. Whether you're envisioning a boutique wellness retreat, creative studio, dual accommodation venture, or premium home business, Burallen provides the canvas and the foundations, to bring your vision to life.

From its elevated position, the estate commands sweeping 360-degree vistas over the Sunshine Coast, Glass House Mountains, and the shimmering waters of Ewen Maddock Dam. These cinematic views deliver a sense of wonder and serenity, an ever-changing backdrop that elevates daily life and captivates guests and clients alike.

At the heart of the estate is a fully renovated main residence, where luxury meets livability. Featuring four spacious bedrooms plus a study, three designer bathrooms, polished stone flooring, and a sophisticated kitchen with integrated appliances and a 6-tap bar, the home blends indulgence with intelligent design. A new AirTouch climate system ensures effortless comfort, while expansive verandahs invite quiet reflection or stylish entertaining.

Beyond the main home, the estate unfolds into a multi-dimensional lifestyle offering, with two additional structures providing boundless flexibility:

- A fully self-contained second residence (3 bedrooms, 1 bathroom) - ideal for extended family, caretaker accommodation, or short-stay rentals.
- A substantial multi-purpose facility, housing a full kitchen, bathroom, gym, sauna, salon, and double garage - ready to support professional services, health and beauty, consultancy, workshops, or studio workspaces.

Features:

- 29 acres of elevated land with 360-degree panoramic views of coast, mountains, and dam
- Main residence: 4 bedrooms + study, 3 bathrooms, spacious double garage, 6-tap bar, brand new kitchen, integrated appliances
- Luxury finishes throughout: polished top grade stone floors, new concrete, paint, and fittings
