Residential Land

Enchanted Hideaway – Tranquil 622sqm Block

You'll be instantly captivated as you drive down the hidden road framed by a natural tree arch, feeling as though you've entered an enchanted forest. The journey alone sets the tone for this magical property, leading you to a quiet cul-de-sac that feels worlds away from the everyday hustle.

This beautifully manicured 622sqm block offers both privacy and charm, with a glimpse of water views peeking through the surrounding treeline. It's a serene and inviting space, perfect for those seeking a peaceful lifestyle in a truly unique setting.

With a fully self-contained, off-grid setup already in place, you can comfortably live on-site while planning and building your forever home. The property is self-sufficient and being sold "as is", offering both practicality and tranquility in equal measure.

This is more than just a block of land—it's an opportunity to embrace a lifestyle of peace, privacy, and possibility. A property like this is rare, and it truly must be seen to be believed.
