An elegant masterpiece, set on a glorious 1,758sqm property, framed by stunning landscaped gardens and resort like grounds, including a full size tennis court with north-south aspect and a mosaic tiled designer pool, all designed to maximise and capture the desirable north to rear aspect.

Set over three levels and flooded with natural light, this home features top of the range finishes and fixtures and the masterful combination of both the traditional and modern elements result in a stunning home of unparalleled brilliance.

The tessellated patio at the entrance flows to a magnificent foyer and formal dining area. The traditional decorative ceilings and stain glass windows hints at the grand federation past whilst the stunning rich colour of the ironbark floors ties the grand traditional and contemporary spaces seamlessly together.

The magnificent kitchen features luxury Calacatta marble complementing the sleek stainless-steel finishes and luxury integrated Liebherr fridges, Gaggenau steamer and oven, and Siemens induction cooktop. The living room and kitchen areas are divided into separate living areas by floor-to-ceiling bespoke display units.

The signature piece of this grand residence is the design of the rear pavilion which contains the vast living and entertaining spaces with a spectacularly designed clerestory as well as floor to ceiling windows and sliding doors creating a seamless indoor and outdoor experience, culminating in expansive breathtaking and unique treetop views.

The elegant master retreat offers a stunning escape from the outside world, presenting total privacy with an oversized dressing room with bespoke wardrobes and shelving and a luxurious en-suite, flowing to the exclusive and private veranda.

Located away from the family living areas, the home office features bespoke cabinetry and views of the landscaped gardens whilst also offering easy and private access to the front patio for undisturbed business meetings.
