Marulan land release

53 residential blocks ranging in size from 2,130m² to 4.6 acres, all with sewer, gas, electricity, town water, sealed road and NBN ready. Most have views across the valley.

These blocks offer an opportunity to enter the market in a proven growth area. With easy access to the village and all its amenities, a new shopping centre coming soon and surrounded by large established homes it's an opportunity too good to miss.

Marulan has experienced outstanding growth over the past few years, and is roughly 1 ½ hours to Sydney, Canberra and the Wollongong region. Still under construction, we expect registration and settlement within the next 12 months. This is the third and final stage of the Betley Park Estate.
