Crafted by Complete by McDonald Jones—a division of one of Australia's most trusted builders—this soon-to-be-finished home offers exceptional value for first-home buyers, downsides, and savvy investors. And it's not the only one. We have a range of similar turnkey properties across key regional locations, all designed to get you settled sooner.

Positioned in the heart of the thriving Huntlee masterplanned community, this home combines modern design with everyday comfort. With nothing left to do but move in or lease out, you'll enjoy a seamless and low-maintenance lifestyle from day one.

- * Gourmet kitchen with Fisher & Paykel appliances, 20mm silica-free stone benchtops, and butler's pantry
- * Ducted reverse cycle air conditioning, ceiling fans in all bedrooms, and LED downlights throughout
- * Flooring and block-out roller blinds already installed (excluding wet areas)
- * TRUECORE® steel frame backed by a 50-year structural warranty
- * COLORBOND® roof and garage door for long-term durability
- * Security alarm system and video intercom for added peace of mind
- * Complete landscaping, fencing, turf, sealed driveway, and letterbox included

Set within one of the Hunter region's fastest-growing communities, you're walking distance to Huntlee's shopping village, parks, and local café. Access to the Hunter Expressway puts Maitland and Newcastle within easy reach, while nearby wineries, walking trails, and schools make this a smart spot for families and lifestyle-focused buyers alike.

For investors, this property offers a ready-to-go rental with depreciation benefits and strong demand in a popular growth corridor.

Built by Complete by McDonald Jones, it's all about simplicity, quality, and speed to market—without compromise.
