A Fantastic Opportunity to Build in a Convenient Central Loc

Whether you're looking to build your dream home, secure a quality investment or explore the potential of building two properties, this is an opportunity worth considering.

Offering two adjoining allotments, each measuring approximately 426m2, with a frontage of 10.36 metres and a depth of 41.14 metres, these cleared blocks provide a blank canvas ready for you to bring your building plans to life.

Positioned in a convenient central location, you'll appreciate the proximity to Mount Barker South Primary School, Mount Barker High School and public transport, making everyday living that little bit easier.

With the hard work of clearing already done, all that's left is to start planning your new home or next project.

Purchase one or secure both - the choice is yours!
