Cute as a Button: Charming Miners' Cottage with Modern Comfo

Step inside this delightful 100+ year-old original miners' cottage, where timeless character meets modern convenience. Beautifully maintained and thoughtfully upgraded, this charming home offers an inviting blend of period features, low-maintenance living and an incredibly convenient Main Street location.

Featuring original high ceilings, a warm and welcoming lounge with split-system heating and cooling, plus an open fireplace suitable for a flued wood heater, there is plenty of charm and comfort throughout.

The modern kitchen is both stylish and practical, complete with stone benchtops and stainless-steel appliances. The main bedroom offers built-in robes, while the beautifully renovated bathroom features a fully tiled walk-in shower.

Adding to the home's appeal is a 15-panel solar system, helping keep those electricity bills down, while the fully fenced private courtyard, conveniently accessed from the lounge, provides a lovely space to relax or entertain.

The property also boasts a single brick garage with direct internal access and a remote-opening garage door.

Set on an easy-care 301 sqm allotment, the location is hard to beat. The convenience store is just a short stroll away for your daily essentials, while schools, the train station, main shopping strip and doctors plus Hume Freeway access are all approximately a two-minute drive, making commuting a breeze.

Period charm, modern upgrades, solar savings and an unbeatable location: this is one cute cottage you won't want to miss!
