Comfort & Convenience in a Prime Position

Positioned just moments from the heart of town, 1/23 Spence Street offers the rare advantage of modern, low maintenance living without sacrificing convenience, making it an ideal choice for those who value both time and comfort. The thoughtful layout with three well sized bedrooms and two bathrooms gives you the flexibility to live, work, or unwind with ease, while the modern finish means there is nothing to update or compromise on. Being only a two minute drive to the CBD, you will enjoy effortless access to shopping, dining, and everyday essentials while still coming home to a quieter, more private setting. Properties that deliver this level of convenience and lifestyle efficiency are tightly held, making this an opportunity that stands out from the rest.
