Holiday All Year Round

Have you decided it is time to take a step back from your busy lifestyle and really start taking some time for yourself?

How does living only metres away from the Lakes edge and being able to throw a line in whenever you feel like it sound?

This immaculate two bedroom home has new carpet and fresh paint throughout, an air conditioner in the lounge room, built in wardrobes and plenty of under house storage and a massive tandem carport.

Some of the major benefits of living in Oaklands Village is the peace and mind of living in a secure estate, with its own pool and community centre and organised activities if you choose to take part.

There is homely feel as you drive through the gates and you are greeted with a smile and wave from the friendly residents as you drive past.

This exceptional home encourages a stress free, low maintenance lifestyle so you can really enjoy the free time you have worked so hard for.
