Located at the mouth of the Clarence River, across the waterway from Iluka, Yamba has quickly become popular.

Boasting an endless succession of sunny days throughout the year, you will have plenty of opportunity to enjoy the beautiful beaches, finishing hotspots, national parks and wildlife on offer.

The apartment has been recently refreshed with new furniture and appliances throughout. The master suite consists of a queen size bed with built in robes and the second bedroom has two king single beds. With two bathrooms, washing machine and dryer and linen provided, it also has the added convenience of Wi-Fi, air-conditioning and remote access single lock-up garage.

A mere 2.6 km's to Yamba's Main Street and a footpath the entire way, you can easily walk or ride your bike into town to visit the boutique shops, cafe scene, restaurants, sporting clubs and pristine beaches. Equally, Yamba Fair Shopping Centre is just 1.5 km's away where you will find Coles, K-Hub, medical services, several takeaway options and other specialty stores. Centrally located, you will agree, Unit 13/15 Shores Drive is so convenient.

Yamba Shores Tavern is also within walking distance to the apartment and a popular choice for locals and visitors alike. With a large deck overlooking the beautiful Clarence River, a menu which showcases local seafood and produce and a kid's undercover playground, there really is something for everyone.
