This unit has beautiful light infused areas, that have been fully refreshed and it is truly a delight when you enter. The layout is surprising in size, and comes complete with a separate lounge, study/formal dining area and room in the kitchen for dining as well! They don't make them like this anymore, and it is a must to view to appreciate all that is on offer.

The master bedroom is oversized with His and Her wardrobes, plus French doors opening onto the front deck and complete ceiling fan.

Lounge living has views of the river, access to the front deck and is air conditioned. The second living area/dining or study area – your choice; also has views of the river.

Large Modern kitchen complete with Gas cooktop, electric oven, dishwasher and an abundance of storage and bench space.

Adding to your enjoyment is a tasteful modern bathroom with great vanity storage and a combined laundry so you do not have to venture downstairs to do the washing.

Don't miss this one, it is a really a big surprise inside!
