Modern 3-Bedroom Unit with Long-Term Tenant in Place

Ideally suited to investors or owner-occupiers seeking a modern, low-maintenance home, this stylish three-bedroom brick veneer unit offers quality finishes, practical living and easy-care outdoor space.

Set within a tightly held group of only three, the property is currently tenanted to a long-term tenant who would be keen to remain in the property should an investor purchase, providing an attractive opportunity for those seeking an established tenancy from day one.

The sleek, modern kitchen is well appointed with stone benchtops, a generous island breakfast bar, gas hotplates, electric wall oven and dishwasher, opening to the comfortable main living area.

The master bedroom features a walk-in robe and full ensuite with tiled shower base, while bedrooms two and three each offer built-in robes. Carpet is provided to all bedrooms, with stylish tiled flooring throughout the remaining living areas.

Year-round comfort is assured with ducted gas heating throughout, complemented by split-system heating and cooling to the main living area.

Outside, the property offers a small, low-maintenance rear yard that is fully fenced, making it easy to maintain while providing a private outdoor space.

The single garage features a remote roller door and convenient internal access into the home.

With its modern finishes, low-maintenance design, secure garage and the added benefit of a long-term tenant who would like to stay, this property represents an appealing opportunity for an investor looking for a straightforward addition to their portfolio, or an owner-occupier seeking a stylish and easy-care home.
