

Unit 2/8 King George St, Victoria Park, WA 6100

\$690 pw

Apartment 2  1 

The perfect pad

You won't want to miss out on this exceptional apartment! Situated on the ground floor of a secure, gated complex, this renovated and modernised home has everything you want and need!

The huge contemporary kitchen has cupboards galore with soft-close drawers and doors, ample bench space and stainless steel appliances and the space flows easily into the living area for ease of entertaining family and friends. The modern living area has built-in cabinets to create your own media centre, and there are lovely glass sliding doors that open to your covered patio space.

Both of the bedrooms have plush carpet and built-in wardrobes - the master has a huge wardrobe with stunning floor-to-ceiling mirrored doors, and there is also ensuite access to the bathroom as well. The large bathroom has the same contemporary design as the kitchen, with both a bathtub and shower plus the toilet is separate. There is a separate linen closet, plus you will have your own deceptively spacious, European style internal laundry behind cupboard doors.

The brick paved patio is covered and has a lovely outlook over the complex gardens and citrus trees, making this a great space for enjoying your morning coffee. You'll love the complex BBQ area and sparkling pool and you'll have your own undercover allocated car bay and lockable storage room, plus there's plenty of visitor parking bays behind the security gates as well!

Leave the car at home and walk to everything you need! You are 1 minute walk from the Victoria Park cafe strip, bus routes to Curtin University and Perth CBD, and the Victoria Park Central Shopping Centre. You're also nearby several local schools, plenty of parks, and within easy access to Canning Highway.
