By Appointment.

The main air conditioned living area is on the lower level along with the kitchen and plenty of space for formal dining as well as a powder room, laundry and garage. Upstairs are three roomy air conditioned bedrooms, the master with a big walk in wardrobe and ensuite, the main bathroom and another sitting area, the ideal spot for a study desk, computer or just another place for the kids to hang out.

For your peace of mind, no expense has been spared to ensure the structural integrity of the building. If you own a boat, the complex includes a boat parking space. There is also a fully fenced courtyard so you can still enjoy the outdoors and yet not be a slave to the lawnmower.

The villa is located within an easy walk to the town centre as well as the front beach parkland where you can enjoy many of the great events that Bowen offers during the year. The marina is also handy being only a few blocks away.

This villa is of the finest quality and is a must to inspect.
