Unit 5 at 13 Perth Street is coming to the rental market for the very first time since being built. Offering 3 carpeted bedrooms and 2 stunning bathrooms upstairs and the open plan living, meals, and entertainment area downstairs. The 9-foot ceilings throughout open up the space and the privacy offered by the clever design make you forget you are even in a complex. There is ducted air conditioning in all bedrooms and living spaces.

The well-appointed kitchen is a dream come true with Smeg appliances including a 900mm freestanding gas oven and cooktop, rangehood and dishwasher. Open up the sliding glass doors and enjoy the private outdoor entertainment area and courtyard leading off the main living and kitchen area.

The residence features a thoughtfully designed study nook with a desk, draw and storage cupboard. Enjoy peace of mind with Crimsafe screens fitted to all aluminium doors and windows, including the upper floor of the townhouse.

Do not delay in completing an application to secure this stunning townhouse, it won't last long.
